Your online guide to the sensational world of Sega and Sonic The Comic. Hosted by Megadroid.

Welcome Screen

Hey, Boomers!

It's that time of the year when a young hume's fancy turns to the U.K.'s official Sega comic. Quite right too. This issue sees that heroic hedgehog face some fast and furious action in the first part of **Count Down to Disaster**. The **Shinobi** secret is out in **Power of the Elements!** It's shake 'n' mac time for **Tails ...** And all is far from ship-shape with **Captain Plunder and His Sky Pirates**.

Question: What's 50, is covered in tattoos and has never looked better? No, not the humes-who-think-they're-in-charge (they're definitely not wearing as well!). Why it's your super, Sega-sational **STC** of course! Prepare for gold in a fortnight with our clucking good Easter issue, which also happens to be **STC's 50th Golden Edition!** Some things just get better with age!

SONY PSYGNOSIS COMPO RESULTS!

Mersey mania gripped the office as wannabe liverbirds sent in entries for the competition: **Win A VIP Day in Liverpool**, courtesy of world famous software house Sony Psygnosis (see issue 42). All you had to do was answer the following three questions:-

Q: Who does Flink have to tackle to save his land?
A: Wizard Wainwright.

Q: Psygnosis has produced many top-selling games over the years. Can you name them (any format)?

A: Lemmings, Puggsy, Whiz 'n' Liz (to name but a few).

Q: Name the famous river that flows through Liverpool.

A: The Mersey.

The prize-winning entrants who gave the correct answers were plucked from a cobweb ladened pair of Kenny Dalglish's shorts (oh,

ask your mum or your dad!).

THE WINNER:

B. Tucker, Reading, Berks.

- plus a friend/parent will be treated to an all expenses paid VIP Day at Sony Psygnosis headquarters in Liverpool! You'll get to see how games are made and you'll meet the makers of that great adventure game Flink. You'll also be given lunch, refreshments, a goody bag and a special copy of Flink for the Mega Drive. Congratulations!

2ND PRIZE WINNERS:

will each receive a copy of Flink for the Mega Drive.

THE FLOATING ISLAND,
SOMEWHERE ABOVE MOBIUS.

INSIDE KNICKLE'S EMERALD CHAMBER
THERE'S AN UNINVITED GUEST!

I DON'T GET
IT, SONIC! THAT
BADNIK LOOKS
LIKE YOH!

I AM METALLIX...
THE METAL SONIC! I HAVE
COME FOR THE MASTER
EMERALD!

THIS
MAKES NO
SENSE! THAT
SCRAPHEAP IS
SUPPOSED
TO BE
DEAD!

I THINK YOU
FORGOT TO TELL
HIM THAT!

FOLLOW ME...
IF YOU DARE!

HE'S TELEPORTING
OUT, WITH THE MASTER
EMERALD! LET'S
GO, RED!

THAT'S
KNICKLES
TO YOU,
SPIKES!

SPECIAL NOTE: FOR THE LAST APPEARANCE
OF METALLIX SEE 'THE SONIC TERMINATOR'
IN STC NOS. 24 TO 28 - MEGADROID.

SECONDS LATER—

THIS LOOKS LIKE THE SKY SANCTUARY ZONE!

HEY... WHAT'S METALLIX DOING WITH THE MASTER EMERALD?

I CAN ABSORB ENERGY DIRECTLY FROM THE MASTER EMERALD! WITH ITS AWESOME POWER, DESTROYING YOU WILL BE AS EASY AS STEPPING ON AN ANT!

METALLIX ISN'T KIDDING AROUND... KNUCKLES IS OUT COLD!

AND NOW, SONIC, I WILL HAVE MY REVENGE!

REVENGE FOR THE DEATH OF MY BROTHER!

MEANWHILE, ON THE DEATH EGG.

I DON'T KNOW HOW TO TELL YOU THIS, GREAT ROBOTNIK... BUT WE'VE LOST CONTACT WITH METALLIX!

WHAT DO YOU MEAN, GRIMER? YOU SNIVELLING INCOMPETENT!

I SHOULD NEVER HAVE ALLOWED METALLIX TO BATTLE THAT ACCURSED HEDGEHOG... I SHOULD HAVE MADE HIM BRING THE MASTER EMERALD STRAIGHT TO ME!

DO SOMETHING, GRIMER! WITHOUT THE MASTER EMERALD WE CAN NEVER HOPE TO LAUNCH THE DEATH EGG!

WE'RE IN LUCK, DOCTOR ROBOTNIK! THE MASTER EMERALD APPEARS TO HAVE ALREADY BEEN PLACED ON THE TELEPORTER DEVICE...

WHEN I'M SUPER SONIC I CAN'T CONTROL MYSELF, I'M ...

NEVER MIND ALL THAT, SONIC. LOOK! THE MASTER EMERALDTM IT'S GONE!

WITHOUT ITS POWER, THE SKY SANCTUARY IS FALLING APART!

WE'VE GOT TO TRY TO ACTIVATE THE TELEPORTER! IT'S THE ONLY WAY BACK TO THE FLOATING ISLAND!

SONIC, DO YOU HEAR THAT NOISE? IS IT THUNDER?

THAT'S NO STORM, BUDDY!

BUT WHATEVER IT IS, IT'S BIG AND IT'S HEADING OUR WAY!

NBA JAM TOURNAMENT EDITION

Mega Drive

game type: **SPORTS**
1-4 PLAYERS

NBA Jam was one of the most successful games of last year selling over four million copies. **NBA Jam Tournament Edition** is similar to the original, but includes a number

of enhancements that make this a worthy sequel.

For starters you get nine additional dunks. Dunks (no, it's not rude!) for those who don't know, occur when the player leaps higher than your average high jumper, and performs a spectacular move before slamming the ball into the basket. The cameras are still there to take a picture during those flashy moments! The running commentary remains clear and includes many more phrases. In fact, the game hardly goes by a second without something being said!

NBA Jam Tournament Edition features twice the number of NBA players plus 'secret characters' which can only be used with a special cheat. This adds to the fun and overall life span of the game. The animation is much more slick than the original and brand new features include a complete NBA tournament, Hot Spots and Super Jam Power-Ups. Hot Spots appear at random times in the arena and when a player shoots while standing on one, they can gain up to five extra bonus points. Power-Ups, as in a platform game, appear as

70 - 80% = Fun City
80 - 90% = Big Time City
Over 90% = Mega City

collectables to improve your performance and range from increasing your speed to giving you bombs which are handy for flattening everyone on court!

NBA Jam Tournament Edition has all-round improvements, new features and increased excitement. If you have an adaptor you can use the four-player option, but the two-player mode is still there making gameplay more fun. The perfect excuse to get your pals round for a jamming session! - DG

BEAVIS AND BUTT-HEAD

Mega Drive

game type: ACTION ADVENTURE
1-2 PLAYERS

WARNING: THIS GAME IS NOT SUITABLE FOR YOUNGER READERS.
CHECK RATING BEFORE YOU BUY.

Beavis and Butt-Head, stars of MTV's cult cartoon, have come to the Mega Drive and brought their air guitars with them. As fans of the show will know, the undynamic duo

exist to hang out in the suburban world of shopping malls and burger joints. In this adventure the pair have major problems as the neighbour's pooch has chewed their tickets to see the most excellent GWAR in concert. As Beavis, Butt-Head or both you must find the nine ticket pieces:

Playing **Beavis and Butt-Head** is much like watching the cartoon. The basic line drawings have been carefully reproduced and there are a range of familiar sound-bites. The game itself is basically a side-on view role-playing adventure. Beavis and Butt-Head begin with their own built-in weapons (less said here the better) which they

later replace with more serious hardware. Your search takes you over six locations, accessible only by channel-surfing, and winds up at the GWAR concert.

The best thing about **Beavis and Butt-Head** is the puzzle element which forces you to think as they do. A good tip to follow is not to do the expected, just the most disgusting thing. For instance, there is a use for the dead rat! The two player mode is by far the most fun as both characters can easily be operated simultaneously and they work well as a team. Sensibly there is a password option which keeps the game flowing.

On the down side, the game is just a bit too short. Experienced game-players should get through this fairly quickly and everyone will get a bit frustrated with constantly returning to the same places. That said, after I stopped being "grossed out" by the characters, I found that **Beavis and Butt-Head** was a serious challenge which kept me interested throughout. - JF

YOU TRIED TO KILL US, SOL. I SAW YOU OUTSIDE OUR HEADQUARTERS WHEN THE BOMB WENT OFF. I THOUGHT IT HAD KILLED YOU.

THAT BOMB WAS NOTHING TO DO WITH ME, SAB. WOULD I HAVE BEEN NEAR THE PLACE IF I'D KNOWN ABOUT IT?

WHAT CAN I SAY? I WAS COMING TO REJOIN THE FLOCK. I'M NOT GONNA WORK FOR NUTZAN BOLT ANY MORE.

WHAT DO YOU THINK, ZONERUNNER? YOU'RE A SHREWD JUDGE OF CHARACTER.

HUH... I AM? OH YES. WELL, I...ER... BELIEVE HIM.

THAT'S GOOD ENOUGH FOR ME, ZONERUNNER. WELCOME BACK, SOL.

GOOD TO BE BACK, SAB. NOW, HOW DID YOU ESCAPE FROM THAT BOMB?

ER... CAN'T YOU JUST CALL ME TAILS?

Q is for Question.
Q is for Query.
Q is for Quandary.
Enter the Q Zone
for hints, tips, and
help with your
favourite Sega
games.

Q. I am still having trouble getting past the Flying Battery Zone. Please could you supply some cheats or tips to help me?

Ian Boddy, Easingwold, York.

SONIC & KNUCKLES Q & A SPECIAL

A. Your wish is my command, Ian. The Flying Battery Zone is not that difficult a level if you know what you're doing. Although this level was covered in depth in our **Sonic & Knuckles Q Zone Special** (STC 43 & 44), I can give you a few extra tips on getting past the difficult bits.

FLYING BATTERY ZONE - ACT ONE

1. Once you get past the propeller section, you may become stuck. The idea is to go right, down, then left and jump over the Power Skis. Continue left and you'll be heading the right way.
2. When you reach a part which has parachuting bombs, you may find yourself stuck again. Just wait here until a hole appears in the ground and drop down to continue.

Q. I am well and truly stuck on **Sonic & Knuckles**. Please print a level select cheat as well as some Game Genie codes in your fab comic.

Terry Butler, Glam, South Wales,
Liam Devine, Ayr, Scotland,
Allison Hedley, Tyne & Wear,
Matthew Leggett, Colchester,
Matthew Thistlethwaite, Carnforth,

MEGA DRIVE

Lancs, and everybody else!

A. We've had lots of requests for a level select cheat and Game Genie codes, but unfortunately not all have come to light. But don't worry Boomers, as soon as they do the Q Zone will keep you posted.

Q. In STC 44's *Sonic & Knuckles Special*, I noticed that you didn't explain how to get past the second boss in Act 2 of the Lava Reef Zone. Please save my sanity and tell me how this is done!

Ben Duncan, Wickford, Essex, Daniel Thorpe, Norwich, Norfolk, and Shane Dowle, Herne Bay, Kent.

A. Oops-a-daisy! Many apologies, Boomers. I'll put your minds at ease right now with the solution to this boss-beating problem!

LAVA REEF BOSS - ACT TWO

When you reach the boss, jump across the lava and onto the right platform. Keep running right until you reach the lava waterfall as many of the platforms will collapse if you stand still for too long. Once there, jump onto the first moving platform and repeat this until you reach the third. Now, jump right and you'll fall down and land on a dead platform. From here, head left jumping onto more non-moving platforms. When you reach the last, jump left onto a moving platform. This will carry you down to the bottom of the waterfall, where Robotnik will enter and the real battle begins!

As soon as the platform starts to move into Robotnik, jump from platform-to-platform. Do this slowly and accurately and you'll have no worries about landing in the lava or being hit by one of Robotnik's bombs. When the land levels out, stand on the platform closest to Robotnik and repeat all the aforementioned steps. By doing this you'll eventually destroy him - for the time being at least!

Q. After reading the instruction manual to *Sonic & Knuckles*, I noticed that it mentioned an extra level called the Doomsday Zone. Why was it not shown in the Q Zone special?

Jack Montgomery, Edinburgh, Scotland.

A. There is a Doomsday Zone in *Sonic & Knuckles* Jack, but it's extremely difficult to get to. Firstly, you need to plug *Sonic 3* into *S & K*. Then you need to complete *Sonic 3* with all the emeralds, and thirdly get through *S & K* (with all the emeralds) to finally reach the Doomsday Zone. A very tall order indeed!

If there are any super-Sonic-genius-type Boomers out there who have reached the Doomsday Zone then please write in (with proof, of course!) as we would really like to see your dazzling efforts!

Q. I read the review of *Sonic & Knuckles* and you said that there is no save game option. However, I have found a way of doing this:-

First, place *Sonic 3* into *S & K*, complete the game and you'll start to play *S & K*. You'll get the opportunity to use a save game option. Shows how much the experts know!

Adam Robinson, c/o Sgts Mess, R.A.F. Laarbruch.

A. All right, clever clogs! You may have found a way of saving your position in the game, but what I say still stands. There is no save option in *S & K*.

If your query hasn't been included in this issue, don't worry, I'm sure there'll be more *S & K* in a future Q & A. Stay tuned!

Dear *STC*,

During my holiday in England I noticed that the Sega Activator is not available for sale; it's a circle that you stand in and any movements made are mimicked by a player on screen. However, one thing I took back with me to America which impressed all my pals was a copy of *Sonic The Comic*. **Drew Aldridge, Lexington Park, Maryland, U.S.A.**
